

Senior Life Cycle Assessment Specialist for Chemical and Plastic Life Cycles

LIFE CYCLE ASSESSMENT CHEMICALS PLASTICS

CONSULTANCY SUSTAINABILITY

As soon as possible

Cologne, Germany
(flexible home/office working possible)

ABOUT  carbonminds

Carbon Minds is a data analytics company and life-cycle data provider. We use our proprietary digital model of the global chemicals and plastics industry to offer our clients unprecedented levels of transparency about environmental impacts in global supply chains.

We are a growth-stage startup with a range of high-impact projects and major partners. Our working culture is flexible, friendly and motivated. We are a close-knit team working in a mutually supportive atmosphere for a common goal: **sustainability**.

RESPONSIBILITIES

- Conduct life cycle assessments based on your own modeling and research, as well as our proprietary **cm.chemicals database**
- Offer varied strategic consultancy to our customers, specifically with regard to their environmental impact reduction pathways
- Leading life cycle assessment courses and training for our clients
- Development of the overall training and course concept in close cooperation with the Carbon Minds management
- Present the results of our developments at internal and external meetings with clients, as well as scientific conference and network events
